This tab show the list referrer, include their username and level

PARTNERS

In this tab, you can view the partner list of any user by entering their information in the box

The screenshot shows a web interface for the 'Partners' tab. At the top, there is an 'Affiliate link' field with the URL 'http://192.168.1.19:3000/?u=demo3' and a copy icon. To the right, there is a language selector set to 'EN' and a user profile for 'demo3' with 'Level: 4' and a truncated username 'THakN...oiULv5'. Below this, the 'Partners' section has a 'Filter:' label. Under 'Filter:', there is an 'input start user:' field containing the username 'THakN7vA5jBxQr6w5tEoVAB9oKMkoIULv5' (annotated with [1]), an 'Input search level:' dropdown menu currently showing 'Level 1' (annotated with [2]), and an orange 'Filter' button (annotated with [3]). Below the filter section is a table (annotated with [4]) with the following headers: 'No.', 'Username', 'Address', 'Level', and 'Sponsor'. The table body is currently empty.

How to search partner list

Step 1: Input start username [1]

Step 2: Input search level [2]

Step 3: Click "Filter" [3]
